

REAL Trends 500

The REAL Trends 500, now in its 30th year, remains the undisputed leading report ranking the performance of the top residential real estate brokerage firms. Firms are ranked by both transaction sides and sales volume. Due to the requirement that all information be independently verified, the REAL Trends 500 remains the trusted source for information about the performance of these firms. For the 2017 REAL Trends Survey firms needed to close a minimum of 1,843 transaction sides in 2016 to place in the top 500. Click on the links on this page for a full list of these 500 elite brokerage firms ranked by sides, as well as a ranking of the top 500 by sales volume.
